Registration 7:30 - 8:00 am

Seminars 8:00 - 12:00 noon

The Massachusetts Safety Council is offering seminars designed to help employers achieve OSHA compliance with safety and health regulations as well as assist them in developing an effective safety and health program. The focus of the seminar will be on the new *OSHA Guidelines for Ergonomics in the Nursing Home Industry* which were published in March 2003.

Each attendee will receive training material specific for the healthcare industries.
